Director James T. Owens
Fire Department
City Hall
Newark, New Jersey

Dear Jim:

We are tentatively planning to make the Brotherhood Awards to you and your four firemen at the open City Council meeting on the night of February 14th.

I have checked with Mayor Carlin and all is well with him. Just as soon as I have confirmation from President Bontempo for the Council I shall let you know and at that time notify the recipients.

With warm personal wishes for the New Year.

Cordially yours,

Daniel S. Anthony,
Executive Director
